Aaron,

In my calendar I have the discovery responses for Magedson due on 9/25. They were served on 8/25 and under the Federal Rules responses are due 30 days (Virginia is 21 days). With that being said, as a courtesy I'll try and have them to you by 9/22 as I know we are all now pressed for time in this case.

Have a great weekend too!

Dave

Dave,

It was nice talking to you last night. We know you have a lot going on right now, but we really need to get complete responses to our discovery requests. I am reattaching our deficiency letter. It has been over a month since you notified you of these deficiencies, but have not received a response. The Court is clearly going to make us provide complete responses and we would like to avoid a Motion to Compel.

Also, Magedson's discovery responses are overdue. When will those responses be propounded?

We need to have complete discovery responses from each of your clients by September 22, 2017.

Thank you,

Aaron
